

DONATIONS

Obra do Berço relies on contributions to continue its mission. Be part of this project that builds a better future for children! Contribute by donating food, hygiene, and cleaning products, participating in events and campaigns, promoting charitable parties, shopping at our bazaar, and making financial donations.

OBRA DO BERÇO

A philanthropic institution founded in 1928, which today serves children through Institutional Care and Daycare.

The programs have been carefully designed so that each child receives the necessary support for their development, with strengthening of socio-family bonds, contributing to positive changes in society.

“To shelter and educate, with commitment and excellence, children from 0 to 4 years old.”

Our mission.

CORPORATE PARTNERSHIPS

Join us in building a better future for vulnerable children, reinforcing your social responsibility strategy and aligning with the United Nations Sustainable Development Goals (SDGs).

Collaborate by donating products, services, and financial resources for our operations, events, educational programs, and various projects.

For more details, contact parcerias@aobradobercorj.org.br

Investing in early childhood is crucial for the full development of future generations.

INSTITUTIONAL CARE

Institutional Care is a temporary and emergency measure defined by the Child and Adolescent Statute to care for children in situations of social risk, ensuring a safe environment with appropriate care until they return to their families or are placed for adoption.

We serve children from 0 to 4 years old, and the main challenge is the babies who arrive with only a few days of life and require individualized care.

DAYCARE

The daycare plays a fundamental role in the development of children, providing essential experiences in early childhood education. In addition to offering a safe and welcoming environment, the daycare promotes playful and educational activities that stimulate the cognitive, emotional, and social development of children.

Operating from Monday to Friday, from 7:30 am to 4:30 pm, for children aged 6 months to 4 years.
